GOLD WING ROAD RIDERS ASSOCIATION - NORTHEAST REGION **MARYLAND CHAPTER A - BALTIMORE'S CHARM CITY WINGS** **MARCH 2011**

Bowl-A-Thon: We had a great turnout for our annual Bowl-A-Thon! There were 111 bowlers (more this year than last) plus their cheering sections and supporters. Chapter H won the tournament and \$100 cash prize with the 3-game combined score of 2205 for their top 5 bowlers with handicap. Chapter B was second with 1625, and Chapter V was third with 1610. We (Maryland A) took the last place "honor" with a score of 1238 pins. Chapter C said it was going to try harder to win last place next year! Chapters I, J, and Delaware A also played an important part of this day of fun. We appreciate everyone's participation.

The raffles for Ride for Kids were popular, with prizes including EagleRider motorcycle rental, free labor, and complete oil changes from Honda PowerSports of Crofton, a battery charger and maintainer, and carrot cakes from Tom. We even auctioned one of the carrot cakes with help from Chapter H's experienced baked goods auctioneer, Paul Koermer. Thank you, Paul! Little did we know that the auction winner, Stan Greene, was bidding for his chapter! Chapter I took the cake.

Thanks go to Steve for collecting the registrations from the chapters, selling raffle tickets, and helping to calculate results. Thanks also to Tom for baking cakes to raffle and auction for Ride for Kids and for selling tickets and making announcements, etc. Thanks to Paul Z. at Honda PowerSports of Crofton for donating items to raffle for Ride for Kids. Thanks to Bill, Joy, Vi, Mickey, and Ronnie, and everyone who helped at the event too. Thanks to Pat for managing the bill at dinner! We'll pick a restaurant that takes separate checks next time. Thanks to the bowlers and supporters from Chapter A and from all of the chapters.

Other stuff: Steve & Ronnie, Bill & Joy, Bill & Penny, Pat & Donna, and Tom & Gail enjoyed "**Beehive, The 60's Musical**" at **Toby's Dinner Theatre** in Baltimore. The food was very good, as was the show, the roses, and especially the company. Thank you, Steve, for coordinating this.

Chapter H's **Spaghetti Dinner/Bingo** was fun, as usual. Sidney & Rebecca, Steve & Ronnie, Vi & Kathy, Shelley & Penny, and Tom & Gail enjoyed the event. Shelley won the clock made by Neil Reynolds and Ronnie won a game of bingo.

We're continuing to **bowl** on Friday nights for awhile. Besides the conversation and bowling, it's fun to watch Flamingo Lady, Split Lady, the dancing bowler, and other characters at the bowling alley. Come on down to Southwest Lanes at 7pm on Fridays. AMF has been giving us coupons, too. Sometimes it's buy one game get one free, sometimes it's \$1.49 per game.

The spring district staff meeting is on March 26, so we'll let you know if your suggestions for **next year's WinterThing theme** were selected! Stay tuned!

We'll be having **group rides** soon, so if you have suggestions please let us know.

Activities Coming Up Soon:

(schedule of events is at the very end of this newsletter)

The Maryland District Motorist Awareness Day at the Ballpark is **Sunday, May 1** in Waldorf. This is fun, especially the bike parade in the infield. This is the District's main motorist awareness event, so please consider supporting this.

Memorial Day Weekend in West Virginia is a weekend trip to Elkins. We plan on riding ride down again on Friday morning and returning on Monday morning. The Hampton Inn is almost full, but there are other hotels around. Let Tom McCormick know if you would like to go.

District & Region News:

The Maryland District is having a district contest associated with the Passport. There will be nice prizes. Any scheduled GWRRA event qualifies (even for the national program). Get signatures in your passport for ice cream socials, Friday night bowling, chapter visits, fundraisers, and other events.

Photos of WintherThing and other events are now on the District website. Click on the "Photos" bullet to see the albums.

Rider Education:

Courses:

Kenneth Trass, from Chapter B, is presenting a **Road Captain Course on Saturday, April 2**, from 8am-noon at his home in Bowie. This includes both the classroom instruction and the road riding practice. Most in our chapter have taken this worthwhile riding course, so if you haven't yet, this is a great opportunity. There is no cost except for the embroidered rocker (\$5). Please contact Kenneth at 301-430-5119 to sign up.

The Maryland District Rider Education courses are set for April 9 and 10 (rain dates May 14-15) to be held at the Ripken Stadium in Aberdeen. Both an Advanced Rider Course (ARC) and a Trailing Course (TC) will be taught each day. A registration form will be available soon. Due to class size limits, all forms received will be on a first come first serve basis. If you are coming up on your expiration date in the Rider Education Levels Program, please consider this opportunity.

State Fair: Dave & Debbie Sorrick, from Chapter H, are setting up a Motorist Awareness/Rider Education booth at the State Fair from **August 26 - September 5**. We may take an afternoon/evening as a chapter. This also includes admission to the fair as a vendor, so we can take turns having fun at the fair if we have enough people to man the booth. Chapter I is doing it on Sunday, August 28. More details will be forthcoming. Please contact Dave and Debbie at dcsorric@hotmail.com for more information.

How Are You Starting This Riding Season?

Winter is finally gone, so let the riding season begin! Maybe you have recently taken a CPR/First Aid class or a seminar or two during this past off-season. This means you are better prepared to help in case one of your riding buddies has an accident or a health issue, or you are prepared to be a better co-rider. Now you are available to spend more time riding now that the season is here. Hopefully you have also taken time to make sure your motorcycle is ready to go, too. You may have done a T-CLOCS, or changed the oil, replaced worn tires, kept your battery charged, or discovered that you needed a new one and replaced it.

There are other things that you can do to be at your best out on the road, too. Many of us will be out on the road before MSF or GWRRA Rider Courses are offered. So what else can you do to get in the right frame of mind and tune up your skills right away? There are a few things you can do as an individual or in a group (such as with your fellow chapter members) to be prepared to ride safely and with skill before the season is even two weeks old.

First, you can practice your skills in an empty, quiet parking lot with smooth pavement that is free of loose gravel or sand. Find an empty church or a school parking lot, or some unused out-of-the-way space at a shopping center safely away from moving vehicles. Choose a time when it is unlikely to be busy, (e.g., a school lot on Sunday) as your safety is of the utmost importance. Work on braking, turning, curves, stopping while in a curve (remember to straighten the handlebars *before* braking!), and turning when pulling away from a stop. When you practice alone, always remain vigilant to vehicles encroaching on your space.

Second, how about participating in a Parking Lot Practice? Also referred to as a PLP, this is an activity that many Chapters hold at the chapter level. The exercises in a PLP are all spelled out in the Cornering Practice Guide along with tips to execute the skills correctly. Talk to your Chapter Educator about holding a Parking Lot Practice for your chapter, or if there is a Facilitated Parking Lot Practice scheduled near you.

Third, you can attend a Team Riding Seminar. This Rider Ed seminar is available for presentation at your chapter, and may be available at some District rallies. This seminar is particularly good to hold at your chapter because the folks who are normally part of your riding team can all hear the same Team Riding tips. Why would you sit through a Team Riding Seminar? One reason is because most of us ride to various places around the state with our riding friends. And if you know what to expect from the others in your group – your **team** – you will be more likely to trust them. You will trust them because you'll know they are all going to ride safely and predictably in a staggered formation. That is what the Team Riding Seminar provides you.

Getting back to the bike for a minute, if you have new tires on your bike for the new season, know that the tire manufacturers recommend that you take it easy on those tires for the first 50–100 miles. That means go easy in the curves and easy on acceleration to prevent slide-outs. The reason is because the surface of the tire will be slickest (slippery) when new. There are a couple of common explanations why, but the result is the same – reduced traction. The rubber will get scuffed and roughed up enough over that distance during normal riding and the tire's grip will improve. Be particularly careful with new tires on painted stripes and metal plates, and all surfaces that are slick even when your tires aren't.

Remember that practice in a parking lot, by yourself or with others, is good for all of us after the long off-season. It is even more beneficial and important if you recently bought a new or used motorcycle. Get to know that new-to-you bike and how it handles in a safe environment. After brushing up your skills, you'll be ready to go out and enjoy a safe riding season!

Who has some of the rider education materials for Chapter A? Someone has some VHS tapes and an "Advanced Rider" tech manual that belong to the chapter. If you have any of these, can you please bring them to Tom or Gail? Thanks.

Lunch with the girls through the ages

A group of **15-year-old girlfriends** discussed where to meet for dinner. Finally, they agreed to meet at the Dairy Queen next to the Ocean View restaurant because they had only \$6.00 among them and Jimmy Johnson, the cute boy in Social Studies, lived on that street.

10 years later, the group of **25-year-old girlfriends** discussed where to meet for dinner. Finally, they agreed to meet at the Ocean View restaurant because the beer was cheap, the restaurant offered free snacks, the band was good, there was no cover and there were lots of cute guys.

10 years later, the group of **35-year-old girlfriends** discussed where to meet for dinner. Finally, they agreed to meet at the Ocean View restaurant because the cosmos were good, it was right near the gym and, if they went late enough, there wouldn't be too many whiny little kids.

10 years later, the group of **45-year-old girlfriends** discussed where to meet for dinner. Finally, they agreed to meet at the Ocean View restaurant because the martinis were big and the waiters had tight pants and nice buns.

10 years later, the group of **55-year-old girlfriends** discussed where to meet for dinner. Finally, they agreed to meet at the Ocean View restaurant because the prices were reasonable, the wine list was good, the restaurant had windows that opened (in case of a hot flashes), and fish is good for cholesterol.

10 years later, the group of **65-year-old girlfriends** discussed where to meet for dinner. Finally, they agreed to meet at the Ocean View restaurant because the lighting was good and the restaurant had an early bird special.

10 years later, the group of **75-year-old girlfriends** discussed where to meet for dinner. Finally, they agreed to meet at the Ocean View restaurant because the food was not too spicy and the restaurant was handicapped-accessible.

10 years later, the group of **85-year-old girlfriends** discussed where to meet for dinner. Finally, they agreed to meet at the Ocean View restaurant because they had never been there before.

In Our Thoughts:

West Virginia Chapter K Fun Memorial Weekend

Schedule

(May 27th to May 30st, 2011)

Friday Night:

5:00 PM to 6:30 PM: Supper provided by Chapter K at Super 8 Motel parking lot.

6:30 PM Riders Meeting and sign up for rides. Points of interest will be pointed out and rider education to be presented.

Saturday Ride:

Split up into small groups to travel a mapped ride leaving Super 8 parking lot at 8:30 AM

Saturday Night:

We will be back in town in time for supper and go to American Mountain Theater.

The American Mountain Theater offers a show that is similar to a Branson Show and they have given us a special deal if you mention "The GoldWing Group". You can make a reservation on line or call 1-800-943-3670 to get tickets.

Sunday Ride:

Split up into small groups to travel a mapped ride leaving Super 8 parking lot at 8:30 AM

Sunday Night:

We will be back in town for our group picture at Super 8 and the "Roast" at the Steer Steakhouse that is across the street from the Super 8.

Ride Notes:

1. You are responsible to pack a lunch for each day that you ride as we will eat someplace along the ride. In the past most riders have gotten Subway the night before.
2. We plan on having a ride for "Newbies". (This would be riders that are first timers to mountainous riding or would like to have a "just take it easy" ride.) This year we are going to "Bear Town" one day and a surprise the other day.
3. One of the rides is earmarked as an "Experienced Rider" Ride. It will cross the Allegheny Mountain Range 4 times. It will be one of our "quicker" rides and it geared toward the rider that has experience riding in mountainous terrain.

SPECIAL NOTE:

Since we are fixing the meal for Friday night, we need to know a head count on the number of persons attending. Please email me at wgregoire@live.com if you plan to attend.
